

**IEEE ULTRASONICS, FERROELECTRICS,  
AND FREQUENCY CONTROL SOCIETY**  
Newsletter, February 2017

*Sidney Lang, Web EIC*

[You are warmly invited to visit the new UFFC website](#)

The **Home** menu contains calendars and information on major UFFC-S activities. Hope that you will find the new website both useful and interesting. [Visit for a quick look at new features.](#)

[Stuart Foster elected to National Academy of Engineering](#)

*F. Stuart Foster*

Professor and Canada Research Chair in ultrasound imaging, department of medical biophysics, University of Toronto, **Professor Stuart Foster** will be formally inducted into the National Academy of Engineering, at a ceremony in Washington, D.C. on October 8, 2017 for “*pioneering the field of high-frequency ultrasound and translating its technologies into clinical and preclinical imaging systems.*” [Read more.](#)

*Contributed by: Jafar Saniie*

*Upcoming Event*

[IEEE ISAF-IWATMD-PFM to be held soon in Atlanta](#)

The IEEE International Symposium on Applications of Ferroelectrics will be held jointly with professional workshops on acoustic transduction and piezoresponse force microscopy from May 7-11, 2017 in Atlanta Georgia. [Find out more about the technical program and special events.](#)

*Contributed by: Iaroslav Gaponenko*

[Opportunity to sign a petition](#) allowing a president-elect candidate to be on the ballot in the next IEEE Election. To sign, please follow the [link](#) to “Annual Election Petition”. [Read more](#)

*Contributed by: John Vig*

[Two UFFC-S Members Elevated to IEEE Fellows](#) **Robert Lutwak** and **Zuo-Guang Ye** have been elevated to this select group in 2017

*Contributed by: John Vig*

[Awards and Events at the 2016 International Ultrasonics Symposium](#) Rayleigh Award: **Jim Miller**, Washington University in St Louis. Carl Hellmuth Hertz Ultrasonics Award: **Vincent Laude** Institute FEMTO-ST, Besançon, France. Ultrasonics Early Career Award: **Alfred Yu** University of Waterloo, Canada. Distinguished Service Award: **Jian-yu Lu**, University of Toledo.

*Lori Bridal, Editor-in-Chief;*

*Sandy Cochran, Ultrasonics Editor;*

*Iaroslav Gaponenko, Ferroelectrics Editor*

*and Sheng-Shian Li, Frequency Control Editor*

#### [Meet the IEEE UFFC Newsletter Team](#)

The newsletter team will be working to get news onto the website as events occur throughout the year. The team continuously up-dates information in the News section of the IEEE UFFC website and will not send out more than two highlight newsletters per year. [Read more.](#)

If you have any society-related information to share, [please pass it on to one of us.](#)
