IEEE UFFC–S FERROELECTRICS STANDING COMMITTEE

The IEEE UFFC–S Ferroelectrics Standing Committee (FerroCom) is seeking individuals who are interested in serving as Chair or Deputy Chair for the volunteer leadership opportunities below:

**Vice–President for Ferroelectrics:**
Serves as chair of the Ferroelectrics Standing Committee (FerroCom) and liaison between FerroCom and UFFC–S AdCom.

**Deputy Vice–President for Ferroelectrics:**
Assists VP for Ferroelectrics in operational and strategic planning and chairs the committee as needed.

**Committee Secretary for Ferroelectrics:**
Prepares and distributes meeting notices and minutes and supports VP for Ferroelectrics in administration duties.

**Publications Chair for Ferroelectrics:**
Coordinates all publication aspects related to the ISAF meeting and all matters with respect to the IEEE Transactions on Ultrasonics, Ferroelectrics and Frequency Control.

**Finance Chair for Ferroelectrics:**
Organizes financial aspects of FerroCom, ISAF, and awards and establishes and monitors long range financial data for the FerroCom.

**Symposia Chair for Ferroelectrics:**
Facilitates ISAF selection process and maintains archival information about procedures and best practices used in operating ISAF meetings.

**Exhibits Chair for Ferroelectrics:**
Organizes and maintains records of sponsoring entities and contact information for ISAF and IEEE UFFC–S ferroelectrics–related activities and serves as an industrial liaison.

**Tutorials and Education Chair for Ferroelectrics:**
Promotes science and technology of ferroelectrics by cultivating ferroelectrics–related educational content and promotion of education activities.

**Women–in–Engineering (WIE) Chair for Ferroelectrics:**
Represents Ferroelectrics in the WIE Standing Committee of UFFC–S and promotes participation of women in professional activities.

**Web Editor for Ferroelectrics:**
 Writes and publishes content on Ferroelectrics activities on the UFFC–S website.

**Newsletter Editor for Ferroelectrics:**
 Writes and publishes content on Ferroelectrics activities in the form of newsletters.

**Awards Chair for Ferroelectrics:**
Executes the promotion, nomination, selection, and award process for Ferroelectrics awards.

**Technical Programming Committee for Ferroelectrics:**
Facilitates the technical program for the ISAF conferences in the four technical groups.
